

To our Savannah Lakes Village family and friends,

On behalf of myself and the National Golf Association's Hooters Pro Golf Tour, I would like to thank everyone for the warm, wonderful and amazing event hosted last week at Savannah Lakes Village. The staff, as well as the players are grateful for the hospitality and openness that was present throughout the entire week of events. Once again, you all have raised the bar higher than before and continually host the best event on the NGA Hooters Tour schedule year after year. To end with tour rookie Will Wilcox making an eight foot par putt on the 18th hole for the champion's title would rival any PGA Tour finish to date.

The Savannah Lakes Village Classic is, and will always be known as, the Masters of the NGA Hooters Tour. Thank you again for the unimaginable experiences this year's event held and can't wait to see what excitement next year's event has in store.

Thank you again for all of your kindness, and continued support of the NGA Hooters Tour and its players.

Sincerely,

Robin L. Waters, PGA
President, NGA Hooters Pro Golf Tour
